Student Service Day Agreement

Academy of Excellence Christian Schools strive to ensure that all students are well rounded and have the necessary skills to be productive citizens in the community in which they reside. In doing this we require that all students assist in a minimum of two (2) community service events held by the school.

Our **tentative** service days will be **Friday September 22, 2017** and **Friday May 4, 2017**. The activities planned for this event will be given to the parents and students as those dates are closer.

AoE School will provide the necessary tools needed to complete each service day.

Please sign below stating that you understand that your child will be participating in school wide service day activities such as community clean ups, peer assistance with other campuses, assisting the elderly and more.

- My child will be participating in the school wide service days
- My child will **NOT** participate in the school wide service days and I understand that he/she will receive a **zero** for this day.
